LEADERSHIP GWINNETT ANNOUNCES 34th CLASS

Duluth, Georgia (June 13, 2018) Forty leaders have been selected to Leadership Gwinnett, Gwinnett’s award-winning community leadership program for business, civic, and community leaders. The class of 2019 will take a deep dive into the many sectors of Gwinnett – infrastructure, economics, education, health and human services, justice, and regional relations. These leaders are committed to give their time, talent and resources to strengthen their personal and professional connection to the community.

“Selection of these top candidates requires balance of occupation, qualifications and a representation that reflects a cross section of the county. Over the coming year, this diverse group will gain a true understanding of the people and issues shaping our community's future - and more importantly, how they can impact those issues,” said Executive Director of Leadership Gwinnett, Lisa Zaken.

These 40 leaders have been selected because of their influence, commitment, and dedication in their field of expertise. Since 1985, Leadership Gwinnett has graduated nearly 1,200 alumni, a powerhouse of influence and networking, who continue to champion the betterment of Gwinnett County.

“We don’t have to look or think alike, we just have to have the passion to make a change,” said Kim Hartsock, Leadership Gwinnett Class of 2018 graduate and Partner at Warren Averett, LLC.

The 2019 Leadership Gwinnett program kicks off in August with an orientation, an opening retreat, seven learning days, monthly study groups, tours and hands-on experiences within the county and a closing retreat. Through these efforts, the Class of 2019 will explore critical community issues, evaluate themselves as leaders, and build lasting relationships.
